

The Darkest Dungeon
THE BOARD GAME

A game by Nick Motis and
Argyris Youngouras

The Darkest Heroes box consists of alternate sculpts for each of the Heroes in the game, complete with the Hero Cards, Skill Cards, and Stance Tokens that are necessary... all with alternate artwork on them!

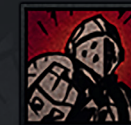

Different combinations of heroes may be just what the Ancestor ordered to defeat the vile incursion that currently holds the Hamlet in its deathly grasp. With these alternate Heroes, you have more freedom to alter the teams you choose to take into the Darkest Dungeon!
